Proximity Mine: The first time your Melta Mine marker is within another operative's control range, remove that marker and inflict 2D6+3 damage on that operative; if it isn't incapacitated, end its action (if any), even if that action's effects aren't fulfilled. If it cannot be placed, move it the minimum amount to do so. Note that this operative is ignored for these effects (i.e. it cannot set it off or take damage from that marker).
