BLOODED

FACTION EQUIPMENT

SINISTER TROPHIES

The Blooded adorn their armour with severed heads affixed to rusty spikes, cloaks and tabards of flayed skin, and all manner of other grisly trophies hacked from the corpses of their victims.

Whenever an enemy operative is shooting against, fighting against or retaliating against a friendly **BLOODED** operative that has one of your Blooded tokens and is within 2" of it, your opponent cannot re-roll their attack dice results of 1.
