EXACTION SQUAD

FIREFIGHT PLOY

EXECUTION ORDER

Those who have earned the ire of the Imperium are marked by the Adeptus Arbites for execution, their termination prioritised.

Use this firefight ploy when an enemy operative performs a mission action (excluding **Breach** and **Operate Hatch**). Alternatively, use it at the end of the Firefight phase and select one enemy operative that controls an objective marker.

In either case, the next time your opponent would activate that enemy operative, you can interrupt that activation and activate a ready friendly EXACTION SQUAD operative. If you do, during that activation, that friendly operative must shoot against or fight against that enemy operative, and cannot do so against any other enemy operatives until it does (if this isn't possible, that friendly operative's activation is cancelled).

After completing that friendly operative's activation, continue that enemy operative's activation (if possible). You cannot use this ploy again until that enemy operative is activated or incapacitated.
