GOREMONGER

FACTION RULE

GORE TANKS

Goremongers' tanks contain a concoction of stimms, recombinant proteins and alchemical fuel. This cocktail energises the carrier, but the tanks require a constant supply of blood and gore for the infernal alchemy to function at peak efficiency.

Each friendly GOREMONGER operative has a **GORE TANK** that has three levels: full, half and empty. They start the battle at half. Whenever a **GORE TANK** increases, it goes up one level; whenever it decreases, it goes down one level. A **GORE TANK** cannot increase when it's already full, or decrease when it's already empty (see diagram on other side).

CONTINUES ON OTHER SIDE ▶

Whenever a friendly **GOREMONGER** operative incapacitates an operative within its control range, or visible to and within 2" of it, you can increase its **GORE TANK**.

Whenever a friendly **GOREMONGER** operative uses a **SANGUAVITAE** rule, you must decrease its **GORE TANK**.
