HERNKYN YAEGIR

FACTION EQUIPMENT

STABILISED BOLT SHELLS

Fitted with fin stabilisers, these specially crafted bolt shells are designed to enhance accuracy and lethality at extreme range.

Up to twice per turning point, whenever a friendly **HERNKYN YAEGIR** operative is performing the **Shoot** action and you select a bolt shotgun (long range), you can use this rule. If you do, until the end of that action, improve the Hit stat of that weapon by 1 and add 1 to both of its Dmg stats, and that weapon has the Accurate 1 weapon rule.
