HERNKYN YAEGIR

FIREFIGHT PLOY

NO KIN LEFT BEHIND

All Kin desire to return to their Hold's Ancestor Core upon their death. Hernkyn will fight tooth and nail to ensure that none of their fallen are left behind.

Use this firefight ploy when a friendly **HERNKYN YAEGIR** operative is incapacitated. Before that operative is removed from the killzone, remove your Fallen Kin marker from the killzone (if any), then place it within that operative's control range. That operative is then removed from the killzone as normal.

Whenever a friendly **HERNKYN YAEGIR** operative within 3" of your Fallen Kin marker is shooting, fighting or retaliating, in the Roll Attack Dice step, you can retain one of your fails as a normal success instead of discarding it, or retain one of your normal successes as a critical success instead.
