HERNKYN YAEGIR
STRATEGY PLOY

HIDDEN ENGAGEMENT

Being experienced survivalists, Hernkyn Yaegirs are skilled hunters, well used to stalking and engaging their prey from the shadows.

Whenever a friendly **HERNKYN YAEGIR** operative is shooting, if it's in cover from the target's perspective, that friendly operative's weapons have the Balanced weapon rule. Note that your opponent still determines the targeting lines for this (i.e. they decide which point of their operative's base targeting lines are drawn from).
