IMPERIAL NAVY BREACHER

FIREFIGHT PLOY

BLITZ

The keys to a successful boarding action are speed and violence. Breachers advance quickly, maintaining a rapid rate of fire and cutting down any who block their progress.

Use this firefight ploy when a friendly **IMPERIAL NAVY BREACHER** operative performs the **Shoot** or **Fight** action, and you select an enemy operative within 6" of it as a valid target or to fight against. If it's the first friendly operative to perform either of those actions during this turning point, its weapons have the Accurate 1 weapon rule for that action. If it's the first friendly operative to be activated during this turning point, its weapons also have the Severe weapon rule for that action.
