IMPERIAL NAVY BREACHER

FIREFIGHT PLOY

DECK HAND

Spending the vast majority of their lives aboard voidships, Breachers are used to fighting their way across decks and through cramped hatchways and bulkheads.

Use this firefight ploy during a friendly **IMPERIAL NAVY BREACHER** operative's activation, before or after it performs an action. That operative can move through one Accessible terrain feature without it counting as an additional 1" and/or perform a free **Operate Hatch** action during its activation, and can do so during the **Charge** or **Fall Back** action. You cannot use this ploy if the access point has been welded shut (see **HATCHCUTTER**) unless it's a friendly **HATCHCUTTER** operative's activation.
