LEGIONARY

FACTION RULE

MARKS OF CHAOS

By making dark pacts with the Ruinous Powers, Legionaries may increase their own might. Yet such bargains rarely come without a cost.

Whenever you select a **LEGIONARY** operative for the battle, you must select one of the following keywords for it to have for that battle: **KHORNE, NURGLE, SLAANESH, TZEENTCH, UNDIVIDED**. Each operative's keyword can be different, but a **BALEFIRE ACOLYTE** operative cannot have the **KHORNE** keyword.

Friendly **LEGIONARY** operatives have an additional rule determined by this keyword. In addition, **LEGIONARY** ploys have additional benefits for operatives with the relevant keyword.
