You can spend your Prescience points in the Firefight phase as follows (you cannot use each of the following rules more than once per turning point):

- **Foreboding: PSYCHIC**. Whenever it's your turn to activate a friendly operative, you can spend 1 of your Prescience points to skip that activation.
- **Portent**: **PSYCHIC**. Whenever an attack dice inflicts Normal Dmg on this operative, you can spend 1 of your Prescience points to ignore that inflicted damage.

You cannot gain or spend your Prescience points if this operative is incapacitated.
