NEMESIS CLAW

FACTION EQUIPMENT

CHAIN SNARE

Composed of hooked blades attached to a length of chain, this weapon bites into the flesh or armour of the wielder's target, preventing them from fleeing.

Whenever an enemy operative would perform the **Fall Back** action while within control range of a friendly NEMESIS CLAW operative, if no other enemy operatives are within that friendly operative's control range, you can use this rule. If you do, roll two D6, or one D6 if that enemy operative has a higher Wounds stat than that friendly operative. If any result is a 4+, that enemy operative cannot perform that action during that activation/counteraction (no AP are spent on it), and you cannot use this rule again during this turning point.
