NEMESIS CLAW

FACTION EQUIPMENT

GRISLY TROPHY

Severed hands and limbs, eyeballs plucked from the skulls of screaming victims – these macabre trophies and more cause the Night Lords' foes to waver.

Once per battle, when a friendly **NEMESIS CLAW** operative incapacitates an enemy operative within 2" of it, you can use this rule. If you do, that friendly operative gains one of your Grisly Trophy tokens (if it doesn't already have one). Whenever a friendly **NEMESIS CLAW** operative that has one of your Grisly Trophy tokens is visible to and within 2" of an enemy operative, subtract 1 from the Atk stat of that enemy operative's weapons.
