NEMESIS CLAW

FACTION RULE

IN MIDNIGHT CLAD

Night Lords are one with the darkness, employing it as an ally and a weapon.

Whenever an enemy operative is shooting a friendly **NEMESIS CLAW** operative, that friendly operative is obscured if both of the following are true:

- It's more than 8" from enemy operatives it's visible to.
- It's within 1" of Heavy terrain that's not lower than it, or any part of its base is underneath Vantage terrain.
