NOVITIATE

FIREFIGHT PLOY

GUIDED BY FAITH

Whispering a prayer, a Sister Novitiate beseeches the God-Emperor to guide her aim that she may swiftly slay her foe.

Use this firefight ploy when a friendly **NOVITIATE** operative is performing the **Shoot** action and you're selecting a ranged weapon. Until the end of that action, whenever that operative is shooting an operative within 6" of it, that weapon has the Seek Light weapon rule.
