PATHFINDER

STRATEGY PLOY

BONDED

Often trained together from youth and bonded by blood ritual, Fire Warrior teams possess an uncanny degree of coordination.

Whenever a friendly **PATHFINDER** operative (excluding **DRONE**) is shooting or retaliating with a ranged weapon (see Point-Blank Fusillade firefight ploy), if it's within 3" of another friendly **PATHFINDER** operative (excluding **DRONE**), that first friendly operative's ranged weapons have the Accurate 1 weapon rule.
