PATHFINDER

STRATEGY PLOY

RECON SWEEP

Pathfinders are tasked with reconnaissance roles and are skilled at crossing difficult terrain to outflank unsuspecting targets.

Select one killzone edge (excluding your own). Each friendly **PATHFINDER** operative that's wholly within 6" of that edge can immediately perform a free **Dash** action in an order of your choice, but each that does so must end that move wholly within 6" of a killzone edge (excluding your own). You cannot use this ploy during the first turning point.
