PLAGUE MARINE

FACTION EQUIPMENT

BLIGHT GRENADES

These devices are packed with explosives, shards of jagged metal and deadly pathogens that poison any unfortunate enough to survive the initial blast.

Friendly PLAGUE MARINE operatives have the following ranged weapon (you cannot select it for use more than twice during the battle):

NAME	ATK	HIT	DMG
Blight grenade	4	4+	2/4

WR

Range 6", Blast 2", Saturate, Severe, Poison*
