PLAGUE MARINE

FACTION EQUIPMENT

POISON VENTS

Activating vents in their power armour, Plague Marines may unleash clouds of sickening fumes that clog the lungs of nearby foes.

Whenever an enemy operative is activated within 3" of a friendly **PLAGUE MARINE** operative:

- If that enemy operative doesn't have one of your Poison tokens, roll one D3: on a 3, it gains one.
- If that enemy operative has one of your Poison tokens, inflict D3 damage on it (instead of 1).
