PLAGUE MARINE
FACTION RULE

ASTARTES

Space Marines are genetically augmented transhumans forged for only one purpose: war.

During each friendly **PLAGUE MARINE** operative's activation, it can perform either two **Shoot** actions or two **Fight** actions. If it's two **Shoot** actions, a bolt pistol, boltgun or **PSYCHIC** weapon must be selected for at least one of them. You cannot select the same **PSYCHIC** ranged weapon more than once per activation.

Each friendly **PLAGUE MARINE** operative can counteract regardless of its order.
