PLAGUE MARINE
STRATEGY PLOY

CONTAGION

Plague Marines are oozing with contagion, their hideous forms emanating a miasma of decay that saps the vigour of their foes.

Subtract 2" from the Move stat of an enemy operative and worsen the Hit stat of its weapons by 1 (this isn't cumulative with being injured) whenever any of the following are true:

- It has one of your Poison tokens and is visible to (or vice versa) and within 3" of friendly **PLAGUE MARINE** operatives.
- It's visible to (or vice versa) and within 3" of a friendly **PLAGUE MARINE** **ICON BEARER** operative.
