RATLINGS

FIREFIGHT PLOY

SURVIVAL INSTINCTS

Lacking physical strength and fortitude, Ratlings rely upon their reflexes and natural instincts to save themselves from harm.

Use this firefight ploy when an enemy operative is shooting against or fighting against a friendly RATLINGS operative (excluding **OGRYN** or **BULLGRYN**) and you're allocating a dice to block. If it's a normal success, it can block one unresolved critical success; if it's a critical success, it can block two unresolved successes (normal or critical).
