SPECTRE SQUAD

STRATEGY PLOY

HIDDEN ENGAGEMENT

Long experience and intensive training aid these operatives in picking off their targets from concealed positions.

Whenever a friendly **SPECTRE SQUAD** operative is shooting, if it's in cover from the target's perspective, that friendly operative's weapons have the Balanced weapon rule. Note that your opponent still determines the targeting lines for this (i.e. they decide which point of their operative's base targeting lines are drawn from).
