VESPID STINGWING
FIREFIGHT PLOY

VICIOUS VENOM

Many Strains of Vespid produce various neurotoxins and inflammatory agents from their abdominal stingers, which can reduce victims to convulsing wrecks or anaphylactically bloat their flesh to bursting point.

Use this firefight ploy when a friendly **VESPID STINGWING** operative (excluding **OVERSIGHT DRONE**) is fighting and you strike with a critical success. Inflict D3 additional damage.
