VOID-DANCER TROUPE

FIREFIGHT PLOY

MURDEROUS ENTRANCE

The Harlequin assault materialises with terrifying speed, a flurry of deadly blows landing before the foe can raise a blade in response.

Use this firefight ploy when a friendly **VOID-DANCER TROUPE** operative is fighting during an activation in which it performed the **Charge** action, after you strike. You can immediately resolve another of your normal successes as a strike (before your opponent), or one of your critical successes if there are none.
