VOID-DANCER TROUPE

FIREFIGHT PLOY

THE CURTAIN FALLS

Upon landing a devastating blow, the Harlequin disengages, leaving their wounded opponent flailing desperately in response.

Use this firefight ploy when a friendly **VOID-DANCER TROUPE** operative is fighting, after you strike with a critical success, if the enemy operative isn't incapacitated. End that sequence (any remaining attack dice are discarded) and immediately perform a free **Fall Back** action up to 3" with that operative (then the **Fight** action ends). That operative can do so even if it's performed an action that prevents it from performing the **Fall Back** action.
