XV26 STEALTH BATTLESUIT

FIREFIGHT PLOY

ENGAGE JET PACK

The potent jet packs built into each XV26 battlesuit provide exceptional mobility, allowing their veteran pilots to secure advantageous positions.

Use this firefight ploy when a friendly **XV26 STEALTH BATTLESUIT** operative (excluding **DRONE**) is activated or counteracts. Until the end of that activation/counteraction, you can ignore the vertical distance it moves during one climb and one drop.
