# XV26 STEALTH BATTLESUIT
# FIREFIGHT PLOY

## SAVIOUR PROTOCOLS

The drones of this kill team are hard-coded to prioritise the safety of their comrades, even at the cost of their own existence.

Use this firefight ploy when a friendly **XV26 STEALTH BATTLESUIT** operative (excluding **DRONE**) is selected as the valid target of a **Shoot** action. Select one friendly **XV26 STEALTH BATTLESUIT** **DRONE** operative visible to and within 3" of that first friendly operative to become the valid target instead (even if it wouldn't normally be valid for this). That friendly **DRONE** operative is only in cover or obscured if the original target was. This ploy has no effect if the ranged weapon has the Blast or Torrent weapon rule.
