Grenadier: This operative can use frag, krak, and smoke grenades (see universal equipment). Doing so doesn't count towards any limited uses you have (i.e. if you also select those grenades from equipment for other operatives). Whenever this operative is using a frag or krak grenade, improve the Hit stat of that weapon by 1.

Melta Mine: This operative is carrying your Melta Mine marker. It can perform the **Pick Up Marker** action on that marker, and whenever it performs the **Place Marker** action on that marker, it can immediately perform a free **Dash** action. That marker cannot be placed within an enemy operative's control range (if this operative is incapacitated while carrying that marker and that marker cannot be placed, it's removed with this operative).
