BLOODED

FIREFIGHT PLOY

DARK FAVOUR

Those who have spilled the blood of the foe and earned the favour of their infernal patron may be spared from death, as long as another pays the price in their stead.

Use this firefight ploy when a friendly **BLOODED** operative that has one of your Blooded tokens is selected as the valid target of a **Shoot** action or to fight against during the **Fight** action. Select one other friendly **BLOODED** operative visible to and within 3" of that first friendly operative to become the valid target or to be fought against (as appropriate) instead (even if it wouldn't normally be valid for this). If it's the **Fight** action, treat that other operative as being within the fighting operative's control range for the duration of that action. If it's the **Shoot** action, that other operative is only in cover or obscured if the original target was.

This ploy has no effect if it's the **Shoot** action and the ranged weapon has the Blast or Torrent weapon rule.
