GEOMANCER ACTIONS

GEOMANTIC DISTURBANCE 1AP

- Select a point on a terrain feature; that point must be visible to and within 8" of this operative. Separately roll 2D6 for each operative within 2" of that point. If the result is higher than that operative's remaining wounds, inflict damage on it equal to the difference.
- This operative cannot perform this action while it has a Conceal order, or while within control range of an enemy operative.

CANOPTEK CONTROL 1AP

- **SUPPORT**. Select one friendly **CANOPTEK CIRCLE** **CANOPTEK** operative visible to and within 6" of this operative. Alternatively, you can select one friendly **CANOPTEK CIRCLE** **CANOPTEK** operative that's visible to this operative and within your **OBELISK NODE MATRIX** (**SUPPORT** doesn't apply to this selection). That selected operative can immediately perform a 1AP action for free; it cannot move more than or be removed and set up more than 2" during that action.
- This operative cannot perform this action while within control range of an enemy operative, or while counteracting.
