EXODITE DRAGON MASTER

FACTION EQUIPMENT

LILEATHAN CRYSTAL MATRICES

Exceptionally rare crystals from the hardest to reach maiden worlds focus the shots of the Exodites' laser weaponry into searing beams.

Once per turning point, when a friendly **EXODITE DRAGON MASTER** operative is performing the **Shoot** action and you select a solar carbine or a profile of its long rifle, you can use this rule. If you do, until the end of that activation, that weapon has the Piercing 1 weapon rule.
