GELLERPOX INFECTED

FACTION RULE

REVOLTINGLY RESILIENT

The monstrous transformations wrought upon these hulking brutes have rendered their aberrant physiologies incredibly resistant to harm.

Whenever an attack dice inflicts damage of 3 or more on a friendly **GELLERPOX INFECTED NIGHTMARE HULK** or **GELLERPOX INFECTED MUTANT** operative, roll one D6: on a 4+, subtract 1 from that inflicted damage.
