GELLERPOX INFECTED
STRATEGY PLOY

BLESSINGS OF INFECTION

The mutagenic properties and corrupting influence of the Gellerpox lend the infected brutal strength and gleeful determination.

Whenever a friendly **GELLERPOX INFECTED** operative is fighting or retaliating, you can do one of the following:

- If you roll three or more fails, you can discard one of them to retain another as a normal success instead.
- If you roll three or more successes, you can discard one of your fails to retain one of your normal successes as a critical success instead.
