GOREMONGER

FIREFIGHT PLOY

UNBRIDLED AGGRESSION

When they close with the enemy, Goremongers fight with all the savage fury and martial prowess of the Bloodletters they so idolise.

Use this firefight ploy when a friendly GOREMONGER operative is fighting during an activation in which it performed the **Charge** action, at the end of the Roll Attack Dice step. Until the end of that sequence, that operative's melee weapons have the Severe weapon rule.
