HAND OF THE ARCHON
FACTION EQUIPMENT

CHAIN SNARE

Composed of hooked blades attached to a length of chain, this weapon bites into the flesh or armour of the wielder's target, preventing them from fleeing.

Whenever an enemy operative would perform the **Fall Back** action while within control range of a friendly **HAND OF THE ARCHON** operative, if no other enemy operatives are within that friendly operative's control range, you can use this rule. If you do, roll two D6, or one D6 if that enemy operative has a higher Wounds stat than that friendly operative. If any result is a 4+, that enemy operative cannot perform that action during that activation/counteraction (no AP are spent on it), and you cannot use this rule again during this turning point.
