HAND OF THE ARCHON

FIREFIGHT PLOY

CRUEL DECEPTION

The denizens of the Dark City are well versed in deceit and betrayal. In battle, they put these talents to good use, hitting their foes hard before melting away into the shadows.

Use this firefight ploy during a friendly **HAND OF THE ARCHON** operative's activation, before or after it performs an action. During that activation, that operative can perform the **Fall Back** action for 1 less AP.
