HAND OF THE ARCHON

STRATEGY PLOY

FROM DARKNESS, DEATH

Honour is an alien concept to the Drukhari. They make use of distraction and misdirection to butcher unsuspecting foes from the shadows.

Whenever a friendly **HAND OF THE ARCHON** operative is activated, before you determine its order, you can select one enemy operative that friendly operative isn't a valid target for. Until the end of that activation, the first time that friendly operative is shooting against or fighting against that enemy operative, you can retain one of your normal successes as a critical success instead.
