Veteran Adventurer: In the Ready step of each Strategy phase after the first, if this operative is in the killzone and isn't within control range of enemy operatives, you gain 1 Resourceful point.

Outright Conviction: The first time this operative would be incapacitated during the battle, it's not incapacitated, has 1 wound remaining and cannot be incapacitated for the remainder of the action. All remaining attack dice are discarded (including yours if this operative is fighting or retaliating).
