IMPERIAL NAVY BREACHER
STRATEGY PLOY

BRACE FOR COUNTERATTACK

Taking up a defensive stance, the Breachers prepare to repel the oncoming enemy.

Whenever an operative is shooting against, fighting against or retaliating against a friendly **IMPERIAL NAVY BREACHER** operative that's within your territory or that hasn't performed the **Charge**, **Fall Back** or **Reposition** action during this turning point, Normal and Critical Dmg of 3 or more inflicts 1 less damage on that friendly operative.
