LEGIONARY

FIREFIGHT PLOY

MUTABILITY AND CHANGE

Tzeentch bestows upon his most devoted followers all manner of bizarre mutations, some of which may even prove beneficial.

Use this firefight ploy when a friendly LEGIONARY **TZEENTCH** operative is activated. Until the end of that operative's activation, add 1 to its APL stat, but it cannot perform the same action more than once during that activation. If it's a **WARRIOR** operative, that operative's Marks of Chaos keyword cannot be changed during this turning point (see Infernal Pact additional rule).
