LEGIONARY

STRATEGY PLOY

QUICKSILVER SPEED

Some amongst the Heretic Astartes are possessed of a fleetness of foot and inhuman agility with which they beguile and confound the foe.

Whenever a friendly **LEGIONARY** operative that performed an action in which it moved during this turning point is fighting, worsen the Hit stat of the enemy operative's melee weapons by 1.

Whenever an operative is shooting a friendly **LEGIONARY** **SLAANESH** operative more than 6" from it that performed an action in which it moved during this turning point, worsen the Hit stat of the enemy operative's weapons by 1.

In all cases for this ploy, this isn't cumulative with being injured.
