NEMESIS CLAW

FIREFIGHT PLOY

DEATH TO THE FALSE EMPEROR

The Night Lords, like all Heretic Astartes, bear a particular hatred for the corpse-worshipping soldiers of the Imperium.

Use this firefight ploy after rolling your attack dice for a friendly **NEMESIS CLAW** operative, if it's shooting against, fighting against or retaliating against an enemy operative that has the **IMPERIUM** keyword. That friendly operative's weapons have the Ceaseless weapon rule until the end of that sequence; if that enemy operative also has the **ADEPTUS ASTARTES** keyword, that friendly operative's weapons have the Relentless weapon rule until the end of that sequence instead.
