NOVITIATE

FIREFIGHT PLOY

BLAZING INFERNO

The holy flamer is a potent instrument of the Emperor's divine wrath. Heretic, witch, mutant or alien: none may hide from its searing wrath.

Use this firefight ploy when a friendly **NOVITIATE** operative is shooting with a Ministorum flamer and you inflict damage with any critical successes. The target gains one of your Blaze tokens (if it doesn't already have one). Whenever an operative that has one of your Blaze tokens is activated:

- Inflict D3 damage on it.
- Its controlling player can subtract 1 from that operative's APL stat until the end of that activation to remove that token. Note that this must be done before that operative performs any actions during that activation.
