PATHFINDER

FIREFIGHT PLOY

POINT-BLANK FUSILLADE

Wielding their ranged weapons with practised skill, Pathfinders are capable of utilising them even at close quarters.

Use this firefight ploy when a friendly PATHFINDER operative (excluding **DRONE**) is retaliating, if it wasn't within control range of enemy operatives at the start of that activation/counteraction. You can use one of its ranged weapons as a melee weapon (excluding a weapon that has the word 'grenade' in its name) during that sequence. If you do, you cannot block during that sequence, and the following weapon rules have no effect on its weapons until the end of that sequence: Devastating, Piercing, Torrent. If that friendly operative is ready, has an Engage order and is retaliating with a pulse weapon, you resolve the first attack dice (i.e. defender instead of attacker).
