Grandfather's Blessing: Whenever an enemy operative that has one of your Poison tokens loses one or more wounds within 7" of this operative, this operative regains up to an equal number of lost wounds (to a maximum of 3 lost wounds per turning point, and only if this operative isn't incapacitated).

***Toxic:** Whenever this operative is using this weapon against an enemy operative that had one of your Poison tokens at the start of that action, add 1 to both Dmg stats of this weapon.
