VESPID STINGWING
FACTION RULE

COMMUNION

Other species struggle to understand and interact with Vespids. The T'au have managed to establish strong links through various technological aids, most notably their communion helms. The Vespids have accepted these aids as beneficial, but the true extent of their impact is unknown.

Communion points are used to maintain the tactical focus of friendly **VESPID STINGWING** operatives. In the Ready step of each Strategy phase, you gain D3 Communion points, plus 1 if a friendly **OVERSIGHT DRONE** operative is in the killzone. Communion points are used as follows (**OVERSIGHT DRONE** operatives aren't affected by the following):

RULE CONTINUES ON OTHER SIDE ▶

1. Whenever a friendly **VESPID STINGWING** operative is performing the **Shoot** action, it can only target the closest enemy operative within 8" of it (excluding enemy operatives within control range of other friendly **VESPID STINGWING** operatives) unless you spend 1 of your Communion points. For weapons with the Blast and Torrent weapon rules, only the first target must be selected in this way.

2. Whenever a friendly **VESPID STINGWING** operative (excluding **DRONE**) performs the **Charge** action, it must end the action within control range of the closest enemy operative it can unless you spend 1 of your Communion points.

3. Whenever you would perform the **Pick Up Marker** or a mission action (excluding **Breach** and **Operate Hatch**) with a friendly **VESPID STINGWING** operative, you must also spend 1 of your Communion points to do so.

4. Whenever a friendly **VESPID STINGWING** operative is shooting, you can spend 1 (and only 1) of your Communion points to re-roll one of your attack dice.
