

## FACTION RULE

### HOWLING BANSHEE ASPECT TECHNIQUE

#### RAIN OF TEARS

---

Howling Banshees dive in and out of combat with infuriating speed and agility, making it almost impossible for those few who survive their most brutal attacks to strike in return.

Use this **ASPECT TECHNIQUE** when a friendly **HOWLING BANSHEE** operative is fighting, after you strike with a critical success, if the enemy operative isn't incapacitated. End that sequence (any remaining attack dice are discarded) and immediately perform a free **Fall Back** action up to 3" with that operative (then the **Fight** action ends). That operative can do so even if it's performed an action that prevents it from performing the **Fall Back** action.
