Weapon Sentinel: Whenever your opponent is selecting a valid target, if this operative has a Conceal order, it cannot use Light terrain for cover. While this can allow this operative to be targeted (assuming it's visible), it doesn't remove its cover save (if any).

Steadfast: Whenever determining control of a marker, you can treat this operative's APL stat as 3. If you do, this takes precedence over all other rules, meaning any changes to its APL stat are ignored for this.
