

DEATH KORPS

FACTION RULE

GUARDSMEN ORDERS

Take Aim!

Outfitted and trained for attritional infantry combat, the soldiers of Krieg have undertaken endless hours of lasgun drills.

Ranged weapons of operatives that received this order (excluding mortar barrage and remote detonator) have the Ceaseless weapon rule.

Fix Bayonets!

The kind of warfare undertaken by the Death Korps of Krieg requires their troopers to be well versed in close-quarters fighting and trench clearance.

Melee weapons of operatives that received this order have the Ceaseless weapon rule.
